

Guide to Installing an Atlassian Integrated Suite

We have put together a guide (see below) to integrating a suite of Atlassian applications. The guide consists of detailed step-by-step instructions for setting up a specific configuration. There are also links to the installation and configuration guides for each component.

Setting up the integrated suite will give you awesome results, but we know that the setup procedure can be long and difficult. So we invite you to join the **Atlassian Dragon Quest**.

- **Starting from scratch?** If you do not have any Atlassian applications installed, please start at [Here Be Dragons](#).
- **Got JIRA?** If you are already using JIRA, please start at [Dragon Slayers with JIRA Already Installed](#).
